

Buck Brannaman Clinic Hotel Information 2015

I've put together a list of the majority of the Hotels in the Corvallis area. Most are within 2.5-6 miles of the fairgrounds. I'm not recommending any of these Hotels over the other, as they all offer something different (large rooms, indoor pools, outdoor pools, free hot breakfast, lower rates, pet accommodations, etc.). If you plan on traveling with your pet (dogs only), be sure to inquire if pets are allowed, and what the fees are. Some don't allow pets at all, and some of the fees are as high as \$25 per night. Also, be sure to make your reservation soon, as there are very few pet rooms available at most of the motels. **We have spoke with the Holiday Inn Express and locked in a rate for up to 3 weeks prior to the event (6/18/15). Other hotel rates will vary according to availability.** I've included starting rates for the others, but they are just an idea, not set prices. Current lodging tax is 10%
